### Departmental Activities

During the academic year 2022-23, the Department has conducted four departmental meetings for each session, two at the beginning and two before the end of each semester. The syllabus has been equally distributed amongst teachers at the beginning of every semester. The Department has also managed to take ICT classes and class presentations of different semesters (pictures enclosed herewith). The Department has conducted four internal tests as usual, two each for the even and odd semesters. The Department has a privileged to specifically assign each teacher to mentor their mentees according to the ratio of 1:5.
