Then followed by an inaugural speech from the Principal where she stressed on the importance of research programme and activities as one of the important criteria of NAAC assessment.

Subsequently, a keynote address was delivered by Dr. R. Mohan. He highlighted about the old educational system of India and also enlightened about the different assessment bodies dealing with different Universities and Colleges of our Country. He also stressed on the important criteria of NAAC assessment and their advantages.

The morning session ended with a vote of thanks from Sir. W. Lyngdoh.

The first business session started with a presentation from Sir P. Bang the Coordinator of the Steering Committee Mawsynram Border Area College. He gave an overview of the assessment process. Later on, a discussion took place among the resource person, faculty, members and students about the add-on courses to be incorporated in the College.

The Second business session began with a speech by the resource person Dr. R. Mohan on the selected theme of the workshop. He laid down the importance of the Information and Communication Technology (ICT) in improving the quality of Higher Educational Institutions which will cater to the needs of the students and furthermore familiarize them with its uses and operation. Thus ICT can enhance the learning process which will be beneficial for staffs and students and create better opportunities for them.
