Report of the Eco Club

To commemorate and celebrate "World Earth Day", the Eco Club of Mawsynram Border Area College organised an Essay Writing competition on 22/4/22 at the college premises. There were 22 students who participated in this competition. Out of these three emerged winners of the competition in 1st, 2nd and 3rd place. Prize distribution was held on 27/4/22. Trophies were given to the winners and certificates to all the participants

At the beginning of the programme the convener of the committee highlighted the importance of "Earth Day" and the necessity to protect our Mother Earth. Subsequently it was followed by the Essay Writing Competition. All participants benefited from this programme as it helped create the feelings of responsibility for our mother Earth
