With regards to the examination for the 1st semester, 3rd semester and 5th semester of December 2022 the result had not been declared yet.

The next meeting was held on 10 August 2022 on the agenda regarding with the organization department seminar. The department had decided to prepare the proposal for the seminar which was the department had completed with these proposal regarding with the seminar and the topic for the seminar is " Value- addition and Packaging".

As we arrived to the new year the classes started with the new semester of 2nd semester of batch 2022-25 , 4th semester of batch 2021-24 and 6th of batch 2020- 23. The department meeting was held on 8th February 2023 which was discussed with the agendas of distribution of topics, teachers in-charge of internal assessment and fund for department seminar.

The department of Economics had prepared for the national seminar which they had fixed the date which is on 14th December 2022 . But due to the unavailable of fund the department not able to make this plan happens. We had tried to approach for the fund from the department ICSSR NERC on 10th August 2022 but we failed to receive the fund form that too.

As per the Mentor and Mentees we had the list giving in page 1 and record regarding with ICT class taken by various teachers attached along with the report in page 1 and 2. With regards to Mentor and Mentee counseling class had been taken by the Mentor during class period after completion of course. It

had been a great help and experience of sharing experience and providing guidance to Mentees regarding with both studies and social lives of the Mentees. The Mentees shares their different difficulties faces by them in both studies and their social live.

Suggestion provide by Mentor are as follows:

1. Give them ideas how to prepare for their exam
2. Give them encouragement to attending class as much as they can.
3. Providing advice and knowledge about how to apply for jobs and how to prepare for their exam and personal interview.
